Year-Round Education Program

## Nigel Thorne

Nigel Thorne MSc FRSA FIHort FLI PPLI

Landscape Management Consultant (Chartered Landscape Architect); Adjunct Professor, Beijing University of Civil Engineering & Architecture; Immediate Past-president, IFLA Europe; Past-president, Landscape Institute (LI, UK); Honorary Member, IFLA Europe

Nigel is a chartered landscape architect (a Fellow of the Landscape Institute) specialising in landscape management. He practices as an independent landscape consultant concentrating on contract administration and project implementation but also works part-time for a variety of award-winning landscape architectural practices across the UK and internationally. Although trained in design, he concentrates on the important practicalities of comprehensive engagement with the design implementation process in order to maintain design integrity and to work collaboratively with contractors and suppliers to ensure the highest standards of workmanship. He was elected president of the IFLA Europe at the beginning of 2010 and completed his second and final term in office at the end of 2013. He works and teaches both nationally and internationally and regularly gives talks, seminars and lectures in order to promote the work of the profession around the world. 2016 has seen Nigel join the team at London's Royal Parks where he will project manage the £6.2 million Brompton Cemetery Conservation Project over the next 30 months.
